Subject: Hubbell Power Systems Acquires USCO Power Equipment Corporation

Dear Customers and Suppliers:

The purpose of this letter is to advise you that USCO Power Equipment Corporation, Inc. has been acquired by Hubbell Power Systems, Inc. with headquarters located in Columbia, South Carolina, effective August 28, 2008.

The sale includes the facility in Leeds, Alabama, and all equipment, trademarks, product designs and tooling used in the operation of the business.

The business will continue to operate as USCO Power Equipment Corporation, Inc., retaining on all employees, current orders and obligations. We will continue our current relationship with you through the same personnel.

We believe the acquisition will enable the continued solid growth of USCO, and provide resources and assistance in broadening our product line to better suit the needs of our customers.

Your support and confidence are valued as they have been in the past. We believe that the combination of the two organizations will provide value-added synergies, given the similarities in philosophy and practice. Our team, as always, will work hard to continue the mutually beneficial relationship we have enjoyed. Our personnel will soon be in touch with you to discuss the change of ownership and answer any questions you may have. In the meantime, feel free to contact us:
